On December 22, 2023, our family was devastated to learn of the death of our beloved son, husband, brother, and father,

# ***Michael Dean Mann.***

This was to be a joyous time of the year, Christmas, shopping, giving and receiving presents, preparing holiday meals together, laughing, maybe even singing carols with each other, but it was not to be. Our hearts were broken, our world torn apart!

We, the family, would like to thank each and every one of you who helped to make this day unforgettable. Words can never be expressed, to see the friends, families, neighbors, and community members, come together for Michael Mann. You, the people, kept coming; filling up space, giving your condolences, your love and prayers, providing kind words, at that time and for the days ahead. Thank you to; Pivont Funeral Home, McCreery Conference Center staff, the caterers, photographer, and most of all, to all the men and women who assisted in serving and cleaning after the service.

This memorial service was so meaningful, nothing short of you showing your love for the family and for our dear son, brother, husband, father, and friend, Michael Dean Mann.

Thank you for making this day more bearable. Thank you for your cards, flowers, food, kind words, prayers, telephone calls, and your support during this tragedy.

*Thank you so much for whatever part you played!*

# ROYAL STARS HOROSCOPE

BY GEORGIA NICOLS

**MOON ALERT:** Avoid shopping or important decisions from 5:30 p.m. until midnight EST (2:30 p.m. to 11:45 p.m. PST). After that, the Moon moves from Cancer into Leo.

**HAPPY BIRTHDAY** for Wednesday, Jan. 24, 2024

You appear cool and restrained on the outside, but inside, you are passionately fierce. People admire you because you have a larger-than-life glamor. This is a year of service to family and country. Therefore, take care of yourself so you can be a resource for others.

The Stars Show the Kind of Day You'll Have: 5-Dynamic;

4-Positive; 3-Average; 2-So-so; 1-Difficult

**ARIES (March 21-April 19)**

3★ Relations with family members today will be mutually sympathetic. You will listen to others with genuine empathy, and hopefully, they will reciprocate by listening to you as well. You might help a parent. Alternatively, you might coocon at home. Tonight: Savor your privacy.

**TAURUS (April 20-May 20)**

4★ Don't be down on yourself if you "waste" a lot of time daydreaming today or being lost in a world of fantasy. It is what it is. On the upside, your imagination is heightened, which might promote your

ability in creative projects, writing or visualizing things. Tonight: "Once upon a time ..."

**GEMINI (May 21-June 20)**

3★ If you're thinking about spending money on pretty things for yourself and others, think twice. For starters, check out the restrictions of the Moon Alert. However, beyond those restrictions is the fact that today you are tempted to go overboard buying fanciful, luxurious items. Tonight: Stay grounded.

**CANCER (June 21-July 22)**

4★ Today the Moon is in your sign dancing with Neptune, which is why you might spend considerable time daydreaming and not getting a lot

done. Actually, day dreams can be refreshing to the spirit. We all need to have these little moments of withdrawal now and then. Tonight: Relax.

**LEO (July 23-Aug. 22)**

4★ Solitude in beautiful surroundings will please you today. However, you might plan a future escape like thinking about how to travel somewhere or how to do something different. You also might want to help someone who is less fortunate, especially someone who is far away and suffering. Tonight: Express kindness.

**VIRGO (Aug. 23-Sept. 22)**

4★ You might be more active in a charitable group today to help people who are in need. You also might use this same influence to explore the arts and express your own creative energy. Tonight: Explore your talents.

**LIBRA (Sept. 23-Oct. 22)**

2★ Because you are high-viz today, you might want to pick and choose your words more carefully. It's possible that others might see you as a meme or a caricature of who you are. It's as if they're looking

at you with Vaseline on their lens. Tonight: Tread carefully.

**SCORPIO (Oct. 23-Nov. 21)**

4★ Today you want to "get away from all this." This is why many of you are making travel plans or doing something different in little ways to escape your daily routine. Indulge this desire! Visit new stores, shops and parks and talk to new people. Tonight: Do something different!

**SAGITTARIUS (Nov. 22-Dec. 21)**

3★ In discussions about shared property, inheritances and anything that you own jointly with someone else, be careful. Don't give away the farm. Generosity is a wonderful thing; however, it's important to remember your own self interests. Tonight: Be cautious.

**CAPRICORN (Dec. 22-Jan. 19)**

4★ In discussions with partners, spouses and close friends today, you will feel sympathetic to what they're dealing with because it's easy for you to walk a mile in someone else's wedgies. If you can help this person, you will -- with practical or financial help, or a sympathetic ear. Tonight:

Listen.

**AQUARIUS (Jan. 20-Feb. 18)**

4★ Today you feel sympathetic to a pet or an animal that needs to be rescued. These same feelings of sympathy also might apply to your relations with co-workers. If dealing with medical information about your own health, be smart and double-check details. Tonight: Solitude.

**PISCES (Feb. 19-March 20)**

5★ This is a wonderful, creative day! Grab every opportunity to express your talents, because we are verbs, not nouns. Enjoy a mini vacation or get away on an exciting escape. You will also feel tenderhearted toward children, especially if they need your help. Tonight: Check your belongings.

# Cabin Fever Concert at Historic Graham House

Chance and Tessa McCoy

LOWELL W.Va. (Hinton News) - The first-ever Cabin Fever Concert at the Historic Graham House in Lowell, West Virginia, will take place on Saturday, February 17th, from 3 PM to 5 PM. This family-friendly acoustic show of traditional and original Appalachian Folk - in the style of a house concert, will feature Grammy-winning artist Chance McCoy, champion fiddler Tessa Dillon McCoy, and the Appalachian vocal duo Little Maggie.

Chance and Tessa McCoy are contemporary masters of Appalachian folk music. Natives of West Virginia, they have been awarded the highest honors in traditional music, including a

Grammy for best folk album through Chance's work with Old Crow Medicine Show, and an exhaustive list of blue ribbon wins for Tessa as a champion fiddler. Through an unbroken chain of traditional music, they have been mentored by the true masters of West Virginia Old Time Music. Tessa traces her musical lineage through the Kanawha fiddle tradition of Bobby Taylor and Clark Kessinger. Her mastery of this unique and technical old-time fiddling style has positioned her as one of the most significant old-time fiddlers living in Appalachia today. Chance was raised in a musical family in historic Harpers Ferry. His "rags

to riches" journey that took him from living on food stamps to winning a Grammy is a testament to his exceptional talents as a multi-instrumentalist, singer, and writer. Chance's roots as a folk musician have landed him collaborations with a diverse roster of legendary artists including Kesha, Tyler Childers, The Lumineers, The Black Crowes, Willie Nelson, Mumford and Sons, Rhannon Giddens, NEEDTOBREATHE and more.

Tessa and Chance have rooted themselves in West Virginia, living on their farm along the banks of Indian Creek in Monroe

Cheryl Mansley and Mary Dailey aka Little Maggie

County, where they have built a world-class music studio for recording new artists.

They dedicate their lives as professional musicians to being torchbearers in the wider folk music scene as they continue to teach and perform locally and around the world.

The Appalachian vocal duo Little Maggie lovingly infuses sweet vocal harmonies and tasteful instrumental accompaniment into songs old and new from the mountains of West Virginia and its ancestral home across the pond. With guitar, whistles, and percussion in tow, Mary

Dailey and Cheryl Mansley keep it interesting by offering a diverse mix along with some unexpected surprises! A smile on your face, a tap of your toes, a flutter in your heart, or a stirring in your soul are all signs that they've done their job well.

The Graham House is located at 131 Graham House Road in Lowell, West Virginia, off Rt. 12 (also Rt. 3), between Talcott & Pence Springs. Admission is \$18/ person at the door. Cash only, please. Doors open at 2:15 PM, and seating is first come, first served.

Please join us for an evening of music – up close and personal – on Saturday, February 17th. In case of inclement weather, the concert will take place the next day, Sunday, February 18th. For more information contact Cheryl Mansley at 304-702-0554 or [cheryl-mansley@gmail.com](mailto:cheryl-mansley@gmail.com), or visit ArtBeat of the Mountains on Facebook. We would like to thank Graham House, the New River Gateway CVB, and the Hinton Area Foundation for their support in making this event possible.
