Summers County High School has Two new **Volleyball Coaches**

Robert G Kipp

HINTON W.Va. (Hinton News) - Leading the varsity team is Bethani Cline-Wylie, better known as "Scrappy" to her friends. Bethani attended both middle school and high school in Summers County, graduating from high school in 2020. She played volleyball in Summers County for six vears and basketball for nine years, receiving honorable mention for her efforts in volleyball. Bethani was assistant coach last year and has taken over the reins for 2025 and, hopefully, beyond. Her plans are to develop the team and, of course, win a lot of matches in the process. The Hillbilly Storyteller: Haints - Know the **Truth Before You Speak**

The Hillbilly Storyteller

If years ago you seen a house and the doors were painted with green or blue you knew the people that lived there were afraid of ghosts. They always had the doors painted blue or green. Some of the real old people called them haints. It is hard to believe that people would believe that paint would keep a spirit away.

There was an old house back in the woods. The kids would not even think about walking by it and even some of the grown people. The story is that years ago there were 3 little boys that lived there. Someone said that the boys' father was in jail. They said his mind was bad. They said he

Samaria Received The Word

by Jeff Asher

(We are looking at some of the congregations of Christ's church in the New Testament. Last week we began to look at the congregation of Christ's church at Samaria. Today we will continue to study the church at Samaria.)

Unprejudiced Approval

The people of Samaria had been under the influence of a sorcerer named Simon for a long time (Acts 8:11). Simon had seduced them with error and bewitched them with slight of hand. However, Philip shook the kingdom of Satan to its very foundations with the confirmed word of God (Acts 8:13; cf. Mark 16:17-20). So much so, that the whole church of the Devil and its senior "pastor" were converted to Christ (Acts 8:12,13).

Today, we need to be confident that the same Gospel, preached with the same clarity and force will convert those in error and those that brought them their provided Truth is given a fair and impartial hearing.

Uncommon Penitence

In the midst of this evangelistic success Satan was still working. Simon while new in the faith and still weak in the flesh offered the apostles money for the power to give the Holy Spirit (Acts 8:14-19). Peter rebuked Simon severely for his thoughtless error (8:20-23) and Simon, because his heart was still tender, quickly turned and sought God's mercy (8:24).

Satan is always seeking to thwart the peaceful and prosperous growth of the local church. He makes Christians, young and old, the objects of his loathsome ploys (1 Peter 5:8). Satan's objective is to halt evangelism. We must all remember that we are men of "like passions" (James 5:17). As long as we are in the flesh we will be tempted (Jam. 1:13-15). Some will sin. In those desperate hours what we need are men who will readily repent and pray (1 John 1:7-9).

Unrivalled Performance

While severely challenged by their previous error and Simon's transgression the Church in Samaria became a center for evangelism throughout the province (Acts 8:25). Peter and John remained in Samaria long enough to confirm the Disciples in the faith and impart to them the necessary spiritual gifts (Acts 8:14,15).

They then continued their success in many of the villages of the Samaritans. If every Church would do what this Church did, world evangelization would again be possible. Too often, we let Church problems and people problems stop our efforts in saving the lost. We need to keep our primary mission before us at all timesseek and save the lost.

The Samaritan Church was a tremendous Church. In both its trials and success, it stands as an example to congregations today.
